Subject: Draft Communicator message on Gold King Mine spill and CNMI typhoon recovery

Hi Bill, Brent, and Dean,

I went onto the OSC.org site to get the latest situation report from the CNMI typhoon recovery, and summarized it below. Please take a look at it and let me know if you want to make any changes or corrections.

I don't yet have info on the Gold King Mine spill. We're planning to release this to R9 staff on

Thursday.

Thanks,

Dave S.
